

# Spring 2025 Gila Trail Projects

**All trail users welcome  
No trail work experience necessary**

---

## Brushy Mountain Trail # 403

---

**Date:** April 2<sup>nd</sup> – 7<sup>th</sup>, 2025

**Trail Work:** Tread work, brushing, trail marking, and some logging.

**Project Difficulty:** Moderate: trail work  
Difficult: elevation gain and loss to get to basecamp

**Map of Project:** <https://caltopo.com/m/1URKPJB>

**Backpack to Base camp:** 4.6 miles

**Hiking during the day:** up to 6.5 miles

**Meeting time and place:** 9 am at the Alum Camp  
Trailhead. See directions below.

**Project contact:** Melissa Green – [groundworktrails@gmail.com](mailto:groundworktrails@gmail.com) – RSVP required.

**Food and Water:**

- **Food:** Gila BCH's homemade vacuum-sealed meals (breakfasts and dinners) will be available for this project. We can accommodate meat eaters, vegetarians, and some gluten-free diets. But you can also bring your own breakfasts and dinners if you prefer.
  - o Everyone will need to provide their own lunches and snacks.
- **Water:** Please bring your own water for the backpack to base camp. We will be packing in water for basecamp.

**What you will need to bring:** see packing list below – last page

**We will provide:** Tools, hard hats, trail and safety training, project supervision, pack support daily, and first aid kit with Wilderness First Responder-trained personnel.

**Phone service:** No cell service at the trailhead or during the trail project.

**Vehicle Requirement:** 2wd

**Elevation:** 5500 - 8100

**Nearest Town:** Silver City

**Weather:** Come prepared with layers. Mornings and evenings will be chilly. We will have the Seek Outside hot tent with us. Days will likely be warm and sunny.

**Why These Trails:** These trails have deferred maintenance and are confusing in places. Once they are improved, they will not need maintenance for many more years. This area has great views and is a unique part of the wilderness. Opening these trails will provide additional loop options.

**Directions: From Silver City:** Take NM-15 N/Pinos Altos Rd for 35.75 miles (roughly 1.25 hours). Alum Camp trailhead is a large pull-off midway down mountain between Copperas Overlook and Gila Hot Springs.

**Schedule:**

*Schedules are flexible and dependent on the condition and energy level of the volunteers. Frequent breaks are encouraged. Gila BCH encourages volunteers to work within their limitations and take care of themselves during the project. Please check the weather in your project area prior to leaving for the project and pack accordingly.*

**Wednesday, April 2<sup>nd</sup>**

Optional camping at Woody's Corral Trailhead. Please bring your own food. There is water available at the trailhead. Or you can camp at the Alum Camp Trailhead but there is no water and it is right next to highway 15.

**Thursday, April 3<sup>rd</sup>**

9 am – 9:30 am - Introductions, work objectives, safety Talk, and gear check. Turn in food and some gear to horse packers.

9:30 am - 12 - Backpack to basecamp
