**Why These Trails:** These trails are near to the trailhead and near the Cliff Dwellings, so they are frequently used by multiple trail users. Some trails offer expansive views of both the Gila and the Aldo Leopold Wilderness.

**Directions:**

**For short horse trailers:** From Silver City take NM-15 N/Pinos Altos Rd for 42 miles (roughly 1.5 hours). Turn left at Gila Cliff Dwellings sign. Proceed 0.5 mile to Woody's Corral Trailhead. If you cross the bridge and see the Scorpion Campgrounds, you have gone too far.

**For Live-in or long horse trailers:** From Silver City take Hwy 180 east. Turn left onto Hwy 152. After a long decent, turn left onto Hwy 35. Follow this for about 27.5 miles until it junctions with Hwy 15. Turn right onto Hwy 15 and travel about 16.75 miles. Turn left at Gila Cliff Dwellings sign. Proceed 0.5 mile to Woody's Corral Trailhead. If you cross the bridge and see the Scorpion Campgrounds, you have gone too far.

**Schedule:**

*Schedules are flexible and dependent on the condition and energy level of the volunteers. Frequent breaks are encouraged. GBCH encourages volunteers to work within their limitations and take care of themselves during the project. Please check the weather in your project area prior to leaving for the project and pack accordingly.*
